BULLETINS OF THE BUREAU OF EDUCATION FROM 1906 TO 1927, WITH INDEX BY AUTHOR, TITLE, AND SUBJECT

INTRODUCTION

This list contains the titles and authors of all the bulletins issued by the Bureau of Education from 1906 to 1927, inclusive. Many of these bulletins are now out of print and no longer available for distribution, but they are usually accessible for consultation at the public and university libraries. Such bulletins have been marked in this list with a dagger (†). Bulletins marked with an asterisk (*) are still available by purchase from the Superintendent of Documents, Government Printing Office, Washington, D. C., at the prices indicated. All other bulletins listed may be had free, so long as the supply lasts, upon application to the Commissioner of Education, Washington, D. C.

The numbers in the right-hand column refer to the "whole numbers" which were printed on the bulletins up to 1915, no. 40, of which the whole number was 667.

The index following the list is intended to assist teachers, students, and librarians in locating material on the various subjects. The number following the entry in the index gives the year and number of the bulletin, i. e., 1921, no. 19, means Bulletin number 19 in the 1921 series.

Other indexes to publications of the Bureau of Education which may be found useful are the following: Index to the Reports of the Commissioner of Education, 1867-1907 (Bulletin, 1909, no. 7); List of publications of the U. S. Bureau of Education, 1867-1907 (Bulletin, 1908, no. 2); List of publications of the U. S. Bureau of Education, 1867-1910 (Bulletin, 1910, no. 3); List of publications of the U. S. Bureau of Education available for free distribution, September, 1912 (Bulletin, 1912, no. 25); and List of publications of the Bureau of Education, 1906-1922 (Bulletin, 1923, no. 35).
